

Jefferson County Department of Health

FREE FLU SHOTS

WHILE SUPPLIES LAST

What You Need to Know

Free Flu shots will be available for Jefferson County residents while supplies last

Vaccinating Adults and Children 6 months of age and older

Monday – Friday • 1:00 pm – 6:00 pm

No appointment necessary

Complete your paperwork prior to arrival at www.jcdh.org/flu or use the QR Code below.

Bring a second adult when possible to operate the vehicle while you comfort your child in the backseat during the vaccination.

Please wear a mask to protect our healthcare workers.

For more information call (205) 588-5234

LOCATION

Jefferson County Department of Health Annex Building
401 14th Street South
Birmingham, AL 35233

Access to the testing site will be near McDonalds on 15th Street South between 4th and 5th Ave. South.

Be aware, inclement weather conditions including heavy rain may cause temporary closures of the drive-thru clinic. We will post closures on social media and our website. All drivers and passengers must remain in their vehicle. No walk-ups allowed. JCDH staff will be on-site to direct traffic flow and provide instructions.
