THE 2021 ANNUAL AMBIENT AIR MONITORING PLAN

Pursuant to 40 CFR 58.10, the Jefferson County Department of Health has prepared the Annual Ambient Air Monitoring Plan for 2021. This plan covers ambient air monitoring activities performed by the Jefferson County Department of Health (JCDH).

Beginning May 27, 2021, the plan is available for public inspection electronically at <https://www.jcdh.org/jcdh-ambient-air-network-plan/>. A nominal fee for copying and/or mailing may be charged. Arrangements for copying should be made in advance. Comments will be received by the Department until June 28, 2021 at 4:30 pm.

Request for copies or comments on the plan should be directed to:
