

JEFFERSON COUNTY DEPARTMENT OF HEALTH

AIR & RADIATION PROTECTION DIVISION

PUBLIC NOTICE

The Jefferson County Department of Health gives notice that it will hold a Community Meeting to Discuss the following:

- JCDH's Network of Air Monitoring Stations Used to Determine Compliance with the Federal Clean Air Standards;
- How to Access the Air Monitoring Stations' Air Quality Data;
- JCDH's Permitting Process and Opportunities for Public Involvement;
- JCDH's Air Quality Complaints Process; and
- How the Public can Submit Useful Information to JCDH and How Such Information is Considered in Permitting or Used by JCDH in Enforcement.

The meeting will be held virtually <https://msteams.link/N6CV> on Tuesday, December 3rd, 2024 from 6:00 PM to 8:00 PM.

For more information regarding the topics and content of this community meeting, please call Jason Howanitz at (205) 930-1284.

Persons requesting an accommodation for a disability (hearing or vision impaired) or any Limited English Proficiency (LEP) concerns should contact Kim Bullock at (205) 930-1454 or kim.bullock@jcdh.org.

This notice is hereby given this 4th day of November 2024 by authorization of the Jefferson County Department of Health.

Jonathan Stanton, Director

Environmental Health Services
