Mobile Food Vending
Commissary Permission Voucher

Name of Mobile Food Unit _____

Name of Owner _____

Home Address _____

City, State, Zip _____ Phone(s) _____

It is the responsibility of the commissary permit holder to comply with the provisions of the approved plan of operations. **Failure to comply with the provisions of the plan of operations, including preventing critical item violations on the mobile food unit, will be noted on the commissary inspection report and may be grounds for suspension or revocation of the commissary food permit and the authorization to operate a mobile food establishment.**

An area at the commissary that is fully covered and protected from environmental contamination (including the entry of insects, rodents, or other pests) shall be reserved for the storage of pushcarts.

The commissary owner shall make the mobile food units or pushcarts available for inspection at any reasonable time requested by the Health Officer or representative. If a mobile unit or pushcart cannot be presented for inspection at the commissary, the commissary's permit will be suspended.

I understand and agree that the following fixed food service establishment will be responsible for compliance with all rules for food service sanitation whether or not the operator of the above named mobile food unit is present. Any violation of the rules for food service sanitation incurred as a result of this association will be regarded as a violation by the following establishment and may result in action against this establishment.

Permission to use the following establishment as a base of operation for the above named mobile food unit is

hereby granted for the period _____, 20_____ through _____, 20_____.
