

Unified Command News Briefing

Today (6/26/20), there will be a news briefing from the Unified Command of Jefferson County at 1:30 p.m. Topics will include an update on the pandemic, where local and statewide COVID numbers stand, new information about staying safe, and in preventing further spread of the disease. Speakers will include:

- Mark Wilson, M.D.: Jefferson County Health Officer
- Michael Saag, M.D.: Professor of Medicine in UAB's Division of Infectious Diseases

UAB will be live streaming this news briefing from our [Facebook page](#), which we encourage your station/outlet to share.

This will NOT be an in-person news briefing – do not come to the UAB campus for this.

Those who wish to participate can call into the below conference line a few minutes before 1:30 p.m.

<https://uab.zoom.us/j/4558746092>

Call into meeting: 312 626 6799

Meeting ID: 455 874 6092

Once your station/outlet has had an opportunity to ask one question, we ask that you allow another station/outlet to ask a question.

High-quality files will be available for download after the event.
