

JEFFERSON COUNTY DEPARTMENT OF HEALTH
ENVIRONMENTAL HEALTH SERVICES
AIR POLLUTION CONTROL PROGRAM
PUBLIC NOTICE

The Jefferson County Department of Health gives notice that McElroy Green Marketing, LLC. has applied for an air permit for the construction and operation of an exhauster engine to extract methane gas from underground coal mines and up to four enclosed flares to combust excess gas. The facility will be located within Section 21, Township 18 South, Range 6 West. The general street address is 1801 Toadvine Road, Bessemer, AL 35023.

Copies of the draft permit may be inspected at the office of Environmental Health Services (Air & Radiation Protection Division), Jefferson County Department of Health, 1400 Sixth Avenue South, Birmingham, Alabama, from 7:45 a.m. to 4:30 p.m., Monday through Friday (holidays excluded). Copies of draft permit may be viewed online at <https://www.jcdh.org/SitePages/Programs-Services/Scores-Lists/Air/AirPollutionControl.aspx?AQTab=Notices>.

The Jefferson County Department of Health is limited only to the air pollution aspect of the facility. Any comments relative to zoning or economic and social impact are within the purview of local zoning and planning authorities and should be directed to them.

After consideration of all written comments received within 15 days of this notice, the Department will make a final determination regarding permit issuance.

Comments concerning the draft permit should be either emailed to airpermitcomments@jcdh.org or addressed as follows:

Jason Howanitz, Principal Air Pollution Control Engineer
Environmental Health Services
Air & Radiation Protection Division
Jefferson County Department of Health
P.O. Box 2648
Birmingham, Alabama 35202 - 2648

Anyone wishing to be notified of the final decision of permit issuance must request such in writing.

This notice is hereby given this 10th day of August, 2024 by authorization of the Jefferson County Department of Health.

Jonathan Stanton, Director

Environmental Health Services
